POWER OF THE PAST - 2009

FEATURING

H V McKay Engines & Machinery Pre 1979 Humber/Hillman Vehicles Lanz Tractors

“Power of the Past” is on again in March 2009 and some of your members would have already received entry forms.

The AHMRC again invites your club to nominate some of your members' exhibits or club owned equipment as a “Club Entry”. The “Club Entry Form” is included. The Souvenir Program will list the details of your Club entry. We would appreciate return of the Club entry form before January 31st 2009.

Would you please advise your members that all vehicles and tractors participating in our “Grand Parades” on the oval either need to be registered or have a current permit for the weekend. Without current registration or permit, these vehicles will not be able to participate in the Grand Parades. Insurance cover can be arranged to allow unregistered tractors to compete in the tractor balance.

Due to venue size limitations, all motor vehicle entries (excluding tractors) will be limited to pre 1979 vehicles.

Best wishes and we look forward to seeing you at “Power of the Past” in March 2009.

Any questions please phone Allan Wheaton 08 83829413, 0408899775 or awheaton@adam.com.au

Please note there is no entry fee required on club owned equipment.
