### Life Members Sid and Joan Starkey

February 2012 marks 20 years since the tragic loss of Life Members Sid and Joan Starkey in a motor vehicle accident in Victoria.

Sid and Joan were founding members of the Port Parham Sports and Social Club, and Sid was the founding President and Joan was the founding secretary when the club was formally established on 3<sup>rd</sup> February 1985, and Sid remained President for the first 5 years.

Sid with that initial committee, and strongly supported by Joan was instrumental in obtaining the remnant funds from the defunct Port Parham Progress Association to assist in financing the first part of the Port Parham Sports and Social Club building and also in obtaining the initial club licence.

Sid and Joan resided in Second Street in the premises now occupied by Roger and Caroline Wyatt and their legacy remains in the club through Joan's sons Garry and Michael Bull who are members and sponsors of the club.

**Around the Community**

Sadly **Gordon Tiller** passed away recently. Gordon regularly travelled from Pinery with his sister to enjoy a meal at the club.

Houses being constructed within the community are all looking like they are completed. **David Franklin** has been busy finishing floors and moving furniture. It would appear that all he has to do now is move Sheila! **Mick and Jenny McArdle** moved in over the festive season and made good use of the new house. **Bruce Beer's** rental property is rather colourful and is getting plenty of occupancy. Alvin and Sylvia Jenkin had a nervous few minutes over the festive season when a young lady drove into and out of their back yard without stopping. It turns out it was one of Bruce's rental guests who got lost. After the loss of the trailer, one gets a bit sensitive!

The Big Event of the Year was the marriage of **Irene Woods** to **Andrew Toholke** on 7<sup>th</sup> January. If the presentation of the club dining room was anything to go by, it must have been a great day. The Club wish **Mr and Mrs Toholke** a wonderful life together.

There have been a number of thefts in the region recently covering Port Parham, Webb Beach, and Thompsons Beach. These thefts have been despite reasonable security. Please be alert, and report any suspicious activity to the Police on 131444. Graffiti has also been an issue with the tanks, toilets and private fences and sheds being targeted. Fortunately the police and Council have responded quickly on the public property. The Club sign on Port Wakefield Road has effectively been destroyed by graffiti, and has been taken down pending replacement.

## KITCHEN UPDATE

It is with much sorrow the committee accepted the resignation of Georgie Dobson our vice president and kitchen assistant and Allen Parkyn our kitchen manager and committee member, at our meeting on Monday 9<sup>th</sup> Jan 2012.

We would like to take the opportunity to thank them very much for their time, effort and significant contributions to the club. Especially for the kitchen roles they have undertaken most recently, spanning 5 years for Allen and 3 years for Georgie, we also as a committee thank them for bringing to attention some issues we need to address and get on top of quickly and an understanding of how a lack of help and support can prevent people from enjoying what they are doing burning them out prematurely.

Thank you very much Georgie and Allen and all the best with your endeavours for the future.

Thank you Geoff Coles for accepting to fill the vacancy of vice president.

We would like to thank all that have assisted with the running of the kitchen since the notification of the resignations and would greatly appreciate any other help people can offer. We are ultimately seeking people to fill the roles of kitchen manager and committee persons. If you can help the club out in any manner please contact the committee anytime.

Regards

Port Parham Sports and Social Club Committee 2012

## Magic Moments

OH what a night we had for Our Annual Concert on the 26<sup>th</sup> November, Thankyou to the Committee & all the Members and Guests for an excellent night, without you all there would be no show.

The club has been good to us by sponsorship and also providing a nice relaxed venue to practice in. We are giving our dance shoes a rest and start new routines for next year in February.

Thanks to Raylene, Valerie for all their hard work with the costumes, but I must say Valerie showed her talent for designing those spectacular “Big Spender” outfits. A lot of hours go into making the costumes, and believe it or not it takes time to put all of it on, along with the wigs, hats, and headpieces. We try hard to please; I hope the special guest eased the waiting time “Weren’t They Good”. I plan to have a few more special guests next year, and to my team of dancers thanks for dancing with me, yes those “Magic Moments” memories.

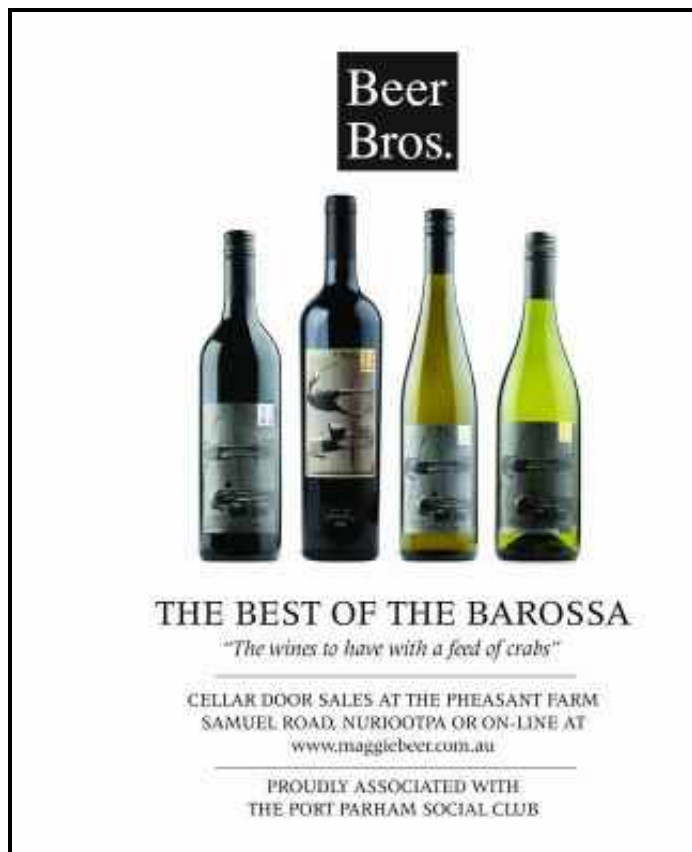

Sound & Lighting was taken care of by my husband Terry who did a fantastic job as usual, I wouldn’t trust this job to just anyone. We hope you all enjoyed the show as much as we enjoyed putting it on for you. Your support was obvious by the amount of people who came to the club. Next year is going to be even better!

But we could do with some more ladies to join our group. No Experience Necessary, and guest what Ladies my class is FREE!

# **New Years at Port Parham 2012**

Report by Rob

We hope all enjoyed the bands and activities provided over the New Year. All started on new year's eve with the band Flashpoint providing great music and the kitchen provided a wonderful meal, those many people who saw in the new year at the club were looked after by our bar staff and had a great night.

New Year's Day was upon some of us far too quickly but as we were trying some new things getting ready had to be done. Thanks to all that helped organise and assisted in making the day the success it was. One special mention must be made of the tremendous assistance and help offered to all by Jamie Gilbert on new year's day he showed us the true meaning of what a volunteer is and from someone so young congratulations and thanks. With the weather being so hot we thank all who attended and participated, hope you really enjoyed yourselves.

After some cancelations due to the weather and much panic plan B, holding most things inside the club worked out ok. The band Heartland was brilliant as usual, the events well supported and those who provide tattoos, tarot readings / jewellery and snow cones were well received. A surprise and well done addition was the undercover ware parade, a big thanks to Rebecca Parkyn for organising and the lovely girls who did the modelling.

A big thanks to our sponsors who once again without hesitation supported our new year's gala day generously, they have made the club journey much easier. We apologise for the lack of records and place getting in some events and not having someone to take photos of the day these two aspects were overlooked and not brought to our attention till too late. I must take the blame for these oversights and ask if anyone can help provide information and photos to help rectify this.

Again thanks to all that helped, assisted, attended and participated we enjoyed seeing people having fun and laughing, Hope to see you all back again next year with your friends and families.

## Children's Christmas Party Sunday 11th of December 2011.

The children were entertained by facepainting, games and balloon making. All children had a lovely feast of food provided, and any parents, grandparents and caregivers could buy fish and chips for as little as \$4.00. It was a great day had by young and old.

Of course we were all there to see you know who???? Yes Father Christmas and he got all the kidlywinks cuddles and kisses to.
