Version 1 26/01/10

Organisers : Contact your team well before the event to ensure rostered people are available. Enlist extra helpers if your event warrants them.

Helpers : If you are not able to assist as requested above, please contact the organiser EARLY, so that a replacement can be found.

All others : If you are not available at short notice/last minute for your rostered job, it is up to you to find your replacement (and advise the Organiser).
