

CLUBHOUSE SA Inc. - DIAMOND HOUSE promotional video

Diamond House, based at Kilkenny, provides psychosocial rehabilitation day and work group programs which support people who are managing the effects of mental illness and helps to improve their general wellbeing.

We currently have a website on communitywebs which we hope to redevelop:

<http://www.communitywebs.org/ClubHouseSA/>

Our aim is to develop public awareness through social media outlets e.g. web page and promotional video for the purpose of growth and development of the organization. We would like to expand our social media networks and presence and educate our current members. We would like to approach potential employers and to seek sponsorships from private companies with the promotional video. The audience might be also be general public, current members and potential members, other external organizations and funding bodies e.g. State and Federal Government. The video would show our history, aims, facilities and daily activities.

Expressions of interest in working on these projects should be sent to your lecturer/tutor for the course in which you are doing the project (eg. Comm 3063) and Alice Dodd:
alice.dodd@unisa.edu.au. Further contact details for the organisation will then be available.

Any enquiries about the project or organisation should be sent to Alice Dodd:
